

Business Leaders (82 words)

Many of Michigan's leading business organizations already strongly support Proposal 1 for safer roads on the May 5 statewide ballot. The Board of the Small Business Association of Michigan (SBAM), for example, voted unanimously to support Proposal 1, noting that "better roads and a reliable transportation infrastructure are critical to a functioning economic and thriving small businesses." I'm voting YES on Proposal 1 because it is supported by leading business organizations including SBAM, the Detroit Regional Chamber, and Business Leaders for Michigan.
