

NOTICE TO BIDDERS ARRA REQUIREMENTS

As a part of the American Recovery and Reinvestment Act of 2009 (ARRA), Davis-Bacon prevailing wage requirements apply to all ARRA funded construction projects regardless of location (including projects on local roads or rural minor collectors, and Transportation Enhancement projects outside the highway right-of-way).

The above notification replaces the following general applicability provisions appearing at the beginning of sections IV and V in form FHWA-1273:

"(Applicable to all Federal-aid construction contracts exceeding \$2,000 and to all related subcontracts, except for projects located on roadways classified as local roads or rural minor collectors, which are exempt.)"
