Presenters

Jerry Anderson worked as a construction technician at Wightman & Associates, Inc., from which he retired in 2018. He is also retired from the Michigan Department of Transportation (MDOT) where he served as the materials supervisor in the Materials Section.

Fred Droski, PE, has worked with L.S. Engineering, Inc. for the past 15 years. He works with MDOT let contracts as a project engineer, assistant engineer, office technician, and inspector. He also conducts FieldManager and FieldBook training.

Dennis Warren works as a materials quality assurance analyst at MDOT. He maintains the *Materials Quality Assurance Procedures Manual* and the *Materials Source Guide*, and coordinates the new Materials Evaluation program.
