

****CONTRACTOR ANNOUNCEMENT****

Special Provision for Utilizing DBE Trucking Vendors

Contractors are hereby notified of new subcontracting requirements when hiring Disadvantaged Business Enterprise (DBE) trucking on MDOT let projects. These requirements entail having DBE trucking vendors under contract (subcontract) as outlined in the Special Provision for Utilizing Disadvantaged Business Enterprise Trucking Vendors (20SP108C-02). MDOT form series 1302 and 1386 have been updated in alignment with the special provision requirements.

The Special Provision for Utilizing Disadvantaged Business Enterprise (DBE) Trucking Vendors will be in effect beginning with the December 3, 2021, bid letting. The special provision will be added by a blanket addendum for the December 2021 and January 2022 bid lettings. It will be incorporated into the proposal for all subsequent lettings.
