Beginning on September 1, 2023, Welfare & Pension Administration Service, Inc. (WPAS) will administer the Michigan Laborers' Fringe Benefit Funds. WPAS specializes in multi-employer, Taft-Hartley, Health, Pension, and Annuity plans, as well as other fringe benefit plans. With decades of experience, WPAS offers a variety of services and cost-effective solutions – including an online remittance tool for employers.

- Establish and manage accounts.

- Get updates on topics like rate changes or missing report information.
- Add and/or manage employees.
- Establish ACH payments.
- Create reports, view past reports, and more.
