Join us virtually or in person to learn about upcoming projects from Michigan Department of Transportation (MDOT) regional staff, connect with prime contractors and hear about opportunities to work with them, meet other certified disadvantaged business enterprises (DBEs) and small businesses to build relationships, and connect with MDOT Office of Business Development Supportive Services staff.

In-person participants will then engage in hands-on training on when and how to apply prevailing wage or Davis-Bacon wage rates. This session will also provide understanding of MDOT's payroll requirements.
