

# WEST MICHIGAN UNDERGROUND DAY

MITA's West Michigan Underground delivers essential safety training in one comprehensive day. From damage prevention and excavation and trenching standards, your crew gets the training they need to stay safe, compliant, and job-ready, while reducing risk and downtime.

**April 1, 2026**

The Sneed Center,  
Davenport College,  
Grand Rapids

\$100 per person  
(includes training,  
continental breakfast  
& lunch)

**Register  
Online**

**Questions?**

# SCHEDULE

**8:00AM - Registration**

**8:30 - 12:00 PM  
Damage Prevention**

Focused on preventing underground utility damages—best practices, legal updates, and real-world lessons to keep your crews safe and projects moving.

**12:00 - 1:00 PM - Lunch**

**1:00 - 4:00 PM  
Excavation and Trenching**

Know the rules, stay compliant, and keep your team safe. We'll cover MIOSHA's Part 9 Excavating and Trenching standards to help your excavation crews stay up-to-date and prevent accidents.

Cancellation Policy: Cancellations received on or before March 18, 2026, are eligible for a full refund. After this date, refunds will be issued at MITA's discretion. No-shows will be billed.

## WHY SEND YOUR CREW?

This training allows your team to fulfill their spring safety requirements in one day without the hassle of coordinating in-house sessions. Give your team the tools to succeed while you focus on your business. Space is limited – secure your crew's spot today!
